Market General Information

The Oktoberfest market is an open market (ie. unrestricted) located on 13th Street, in front of the Legion. Market hours are 11:00am - 5:00pm. The Legion beer garden will be open the same hours. Legion volunteers will be available to assist as necessary.

Stall Allocation

Like we did last year, stalls will be allocated on a "first come, first serve" system. Plan to arrive between 09:00am and 10:30am. The street will be closed for ALL traffic from 08:45am until 6:00pm!

Vendor Setup / Breakdown

To keep traffic flowing in an orderly manner For vendors are reminded that traffic flow is north to south on setup and south to north on breakdown. If not followed, creates havoc with traffic jams and endangers personal safety of vendors and public as well.

ARRIVE EARLY and bring your vehicle in, unload asap and park. After parking start building up your stall. Try to avoid blocking others.

NO ENTRY to market area after **10:30 am** when traffic barriers go up. (No Exceptions)

BREAKDOWN your display first and get ready for load up before you bring your vehicle into market area. No Vehicle Traffic is allowed in the pedestrian lanes before **5:15 pm** (No Exceptions). Vendors are responsible to remove their own trash off site to an appropriate disposal bin. Market garbage cans are for market customer use only.

Vendor Parking

Again, so that we do not hinder access to the businesses of our local merchants we require all vendors to use the public parking lot by the public washrooms behind the businesses.
