## The Basics – Schedule

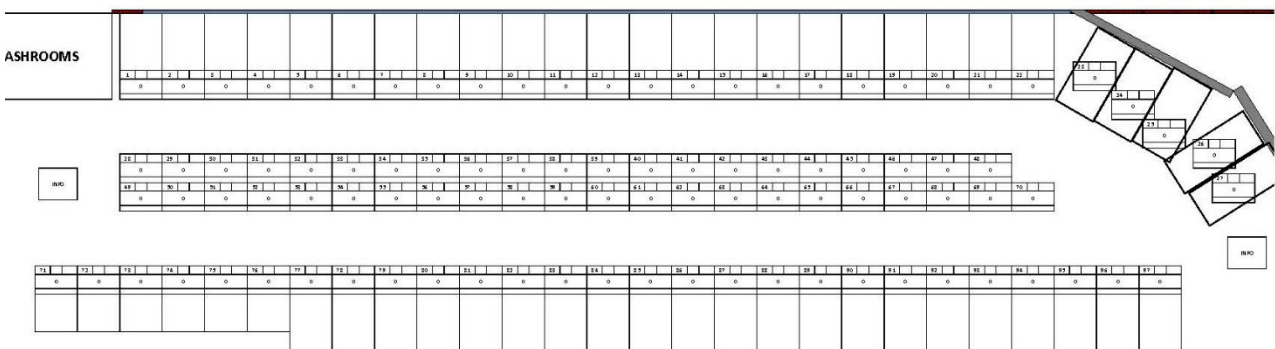

We have already had the first couple of markets including the **Canada Day** long weekend and things are going well. This year, after a two year pause, we will celebrate **Valley Appreciation Day** on **July 23**. The market will be in the normal location, start at **9:00am** and go on for an extra hour until **2:00pm**. An **Oktoberfest** market is also in the planning! We are looking at doing a Beer Garten and music! This market is on **October 1** from **10:00am** to **3:00pm**. All the other Saturday markets are from **9:00am** to **1:00pm**

We must remind you:

- that there should be **NO SALES** outside of the market opening times
- that **NO VEHICLES** are allowed in the market area from **15** minutes before opening and **15** minutes after closing
- that only **service animals** are allowed in the market and that vendors should remind visitors to leave if they get past the signage with a pet.

## Market Layout

The market has 98 stalls and is open at both ends.

Looking forward to a great 2022 market season... The market guys
